### IN CASE YOU MISSED...

#### WCE'S WINTER SOCIAL

Thank you to everyone who attended the WCE kick-off Winter Social event on November 28th. The sold out event saw 70+ guests who came out to support WCE and enjoy mingling, drinks and delicious appetizers at The Refinery.

The WCE Board shared our mission, vision and goals and we also heard from members on event ideas, logo design + much more. The room was buzzing with so much excitement and positivity! We can't wait to put your ideas into action. A very special thank you to our Winter Social Sponsor:

#### GIRLS IN STEAM

WCE was proud to host a booth at Science World's Girls and STEAM event on November 3rd, with over 300 girls in attendance. Our Structure Shake-Up Table, a homemade shake table with marshmallow and toothpick towers, was a big success!

Girls and STEAM was the official launch of Science World's Symbiosis program, an initiative aimed at helping to connect youth with mentors within the STEAM industry.

## WHO IS WCE?

### **FUN**

A forum for meeting other women within a casual setting.

### **ACCESSIBLE**

Our group will be supported by sponsorship to ensure our events stay affordable for everyone.

### **SERVE INDUSTRY PROFESSIONALS**

Provide a support network for women in industry with topics tailored to career development and mentorship.

### **FREQUENT**

Regular events and newsletters to maintain open dialogue and build stronger connections.

### **INCLUSIVE**

WCE is a safe space for women, those who identify as women, and men who champion women.

### **ADAPTABLE**

We will keep members part of the conversation to ensure WCE is serving all member needs, with the flexibility to adapt to new initiatives.

### **CONNECT WITH THE COMMUNITY**

Partnering with existing organizations to encourage more young women and girls to pursue careers in STEM.

## UPCOMING EVENTS

### **JANUARY 29th: MOVIE NIGHT**

Women in Engineering UBC is hosting their annual WISE Mentorship Night (Women in Science and Engineering) on March 12th, 2019. This event was created to help women studying engineering connect with women already in the profession and bridge the gap between school and industry environments. The event will begin with short presentations leading into three rounds of mentoring sessions with 3-4 students each. If you're interested in mentoring, RSVP via the link below. All other questions can be directed to [wie@apsc.ubc.ca](mailto:wie@apsc.ubc.ca)

Know a high school student interested in engineering? UBC Engineering Stories chronicles the daily lives of female students studying engineering at UBC.
